Vikas Gupta

web designer

Highly motivated and creative web designer with one year of experience seeking a challenging position to utilize and further enhance my skills in web design and development. Committed to delivering visually appealing and user-friendly websites that meet clients' needs and exceed expectations.

Experience

Total Experince 1 year

April2022 - September2022
MyltTechy Janakpuri New Delhi
web developer Intern

Assisted the senior web designer in various design projects, including website layouts, graphics, and user interfaces.

Worked closely with the development team to implement design changes and ensure the final product met client expectations.

Conducted research on emerging web design trends and technologies to stay updated in the field.

Contributed to the design and development of the company's website and promotional materials. Assisted in the creation of mock-ups and prototypes for client approval.

December2022 - May2023
Bellway Realtech Noida
Web developer and Promotion Associate

Designed and developed responsive websites using HTML, CSS, and JavaScript, ensuring compatibility across different browsers and devices.

Collaborated with clients to understand their requirements and translate them into visually appealing website designs.

Implemented user-centered design principles to create intuitive and engaging user interfaces.

Created wireframes, mockups, and prototypes using Adobe Creative Suite tools to present design concepts to clients.

Worked closely with the development team to ensure seamless integration of design elements into the final product.

Conducted thorough testing and debugging to identify and fix any design or functionality issues. Managed multiple projects simultaneously, ensuring timely delivery and meeting project milestones. Stayed updated with the latest design trends and emerging technologies in web design and development.

CRM Assistant:

Assisted the CRM team in managing customer databases and performing data entry tasks.

Conducted research on industry best practices and identified opportunities for process improvement. Supported the implementation of CRM initiatives, including data cleansing and migration projects.

Assisted in the preparation of CRM reports and presentations for management.
